

Meet Hernani Alves Your Accountability Culture Expert

“Balanced Accountability skills are critical in being a successful business leader.”

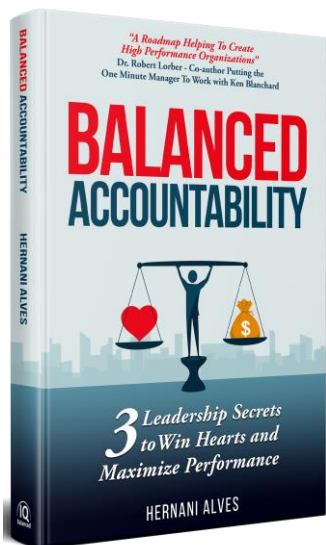

*Tyler Stetson,
Stanford University*

Human Connection with Balanced Accountability

A Lost Art in a Noisy Business World

**Transforming Leaders To Create
Motivated And Loyal Employees,
So They Can Maximize Performance,
Instead Of Killing Morale.**

**“Here is a roadmap
helping to create
high performance
organizations”**

— **Dr. Robert L Lorber**,
Co-author Putting
The One Minute Manager To
Work with **Ken Blanchard**

Bio

Hernani Alves is an Amazon best selling author, international speaker, and consultant with over two decades of business experience as a Sales Executive for a \$3 Billion Company. He's the founder of Balanced IQ, a company that helps leaders build world-class teams focused on getting sustainable results in varying economic climates.

As a skilled presenter and trainer Hernani brings an ability to convey what matters in a way that makes sense and is easy to implement. The audience will walk away with something real, something dynamic, and something that transforms their lives for the better.

♥ Hernani cares and is donating a portion of his book and speaking proceeds through the Ticket To Dream foundation, to help foster kids get the support they need to thrive and create hope for a better tomorrow.
